**Section 2.-** The Department of the Treasury will remit to: the Legislative Branch and its components, the Judicial Branch, the University of Puerto Rico (“UPR”), and the non-profit entities that receive funds from the General Fund, monthly and in advance, the budgetary allotments corresponding to one twelfth (1/12) of the budget allocation provided herein for such entities. The one-twelfth monthly allocation to each entity (except with respect to the Judicial Branch) shall be subject to the two and half percent (2.5%) withholding set forth in Section 3 below during the first three quarters of FY2020. In addition, during the first three quarters of the fiscal year, the Department of the Treasury will remit to the Puerto Rico Public Broadcasting Corporation (“PBC”), monthly and in advance, the budgetary allotment corresponding to one ninth (1/9) of its budget allocation provided herein. Such one ninth allocation to PBC shall not be subject to the two and half percent (2.5%) withholding set forth in Section 3.

**Section 3.-** The Director of the Office of Management and Budget (“OMB”) may authorize the encumbrance and disbursement of up to ninety-seven and a half percent (97.5%) of each appropriation during the first three quarters of FY2020. The Director of OMB shall withhold the remaining two and a half percent (2.5%) of each appropriation until after the end of the third quarter of FY2020. Such withheld percentage of each appropriation shall only be encumbered and disbursed during the fourth quarter of FY2020 if (1) the first 8 months of actual revenues reported to the Oversight Board reach the PROMESA section 202(b) revenue forecast for that period and (2) the encumbrance and disbursement is approved by the Director of OMB. If actual revenues for the first 8 months of the FY2020 fail to reach the revenue forecast for that period, the amount of the withheld percentage of each appropriation that may be encumbered and disbursed shall be reduced proportionally according to the negative budget variance between projected and actual revenues. Notwithstanding the foregoing, PayGo appropriations and agencies in the Department of Public Safety and in the Health groupings, as defined in the 2019 Fiscal Plan, shall not be subject to the two and half percent (2.5%) withholding requirement.

**Section 4.-** No later than 45 days after the closing of each quarter of FY2020, the Secretary of Treasury shall revise the projected net revenues of the General Fund for FY2020 (the “Quarterly Revision”) and notify the revision to the Director of the OMB, the Governor and the Oversight Board. The Quarterly Revision shall project future revenues based on actual revenues, and include revisions to the assumptions used to generate the General Fund’s net revenue projections.

**Section 5.-** All appropriations authorized in any prior fiscal year, including appropriations without a specific fiscal year, are eliminated and no disbursement of public funds may be covered by such appropriations, except: (1) appropriations authorized in the fiscal year 2019 certified budget to carry out permanent improvements that have been accounted for and kept on the books; (2) appropriations in this certified budget for equipment with procurement cycles that extend beyond the end of the fiscal year, which are encumbered on or before June 30, 2020; (3) the portion of the appropriations authorized for fiscal year 2019 that have been encumbered on or before June 30 of such fiscal year, which shall be kept in the books for 60 days after the termination of that fiscal year and after those 60 days no amount shall be drawn against such portion for any reason; (4) the appropriation in the amount \$130 million for the emergency reserve included in the fiscal year 2019 certified budget and required by section 5.2.8 in the 2019 Fiscal Plan (the “Emergency Reserve”); (5) the unobligated portion of the \$190 million Public Assistance Federal Fund Matching appropriation included in the fiscal year 2019 certified budget; and (6) the appropriation

in the amount of \$34 million for the UPR Scholarships Fund included in the fiscal year 2019 certified budget, which is held under the custody of the Department of Treasury. In addition, this restriction on the use of appropriations of prior fiscal years shall not apply to: (i) programs financed in whole or in part with federal funds; or (ii) orders by the United States district court with jurisdiction over all matters under Title III of PROMESA.

**Section 6.-** On or before July 31, 2019, the Treasury Secretary, Executive Director of the Fiscal Agency and Financial Advisory Authority (“AAFAF”, by its Spanish acronym), and the Director of the OMB will provide to the Oversight Board a certification indicating the amounts of unused fiscal year 2019 appropriations for items (1), (2), (3), (4), (5) and (6) of Section 5.

**Section 7.-** Any power of OMB, AAFAF or the Department of the Treasury, including the authorities granted under Act 230-1974, as amended, known as the "Puerto Rico Government Accounting Act" (“Act 230”), to authorize the reprogramming or extension of appropriations of prior fiscal years is hereby suspended.

**Section 8.-** The appropriations approved in this budget may only be reprogrammed with the prior approval of the Oversight Board. For the avoidance of doubt, this prohibition includes any reprogramming of any amount, line item or expenditure provided in this budget, regardless of whether it is an intra-agency reprogramming.

**Section 9.-** The Governor shall submit to the Oversight Board all reporting requirements set forth on Exhibit 76 of the 2019 Fiscal Plan according to the reporting cadence described therein. In addition, if the Oversight Board approves a reprogramming pursuant to Section 8, the immediately subsequent report by the Governor must illustrate the specific implementation of such reprogramming, including the amount, the source of the reprogrammed amount identified by government entity and expenditure concept, the government entity that received such amount, and the expenditure concept to which it was applied.

The reports required pursuant to this Section are in addition to the reports that the Governor must submit to the Oversight Board in accordance with Section 203 of PROMESA.

**Section 10.-** In conjunction with the reports that the Governor must submit to the Oversight Board no later than 15 days after the last day of each quarter of FY2020 pursuant to Section 203 of PROMESA, the Treasury Secretary, Executive Director of AAFAF and the Director of the OMB will each certify to the Oversight Board: (1) that no appropriation of any previous fiscal year (except for the appropriations covered by the exceptions in Section 5 above) have been used to cover any expense; and (2) the Director of the OMB will certify to the Oversight Board that no amount of the (i) Emergency Reserve and (ii) the unallocated capital expenditures under the custody of OMB has been obligated unless authorized in accordance with Section 11 below.

**Section 11.-** The emergency reserve and the unallocated capital expenditures under the custody of OMB required by the 2019 Fiscal Plan may not be used to cover any allocation or expense whatsoever without the approval of the Oversight Board.

**Section 12.-** As a rule, necessary for the responsible disbursement of budgetary allocations for operating and other expenses, OMB shall withhold from any of the allocations to the agencies of the Executive Branch the amounts necessary to pay for the pay-go contribution, unemployment insurance, or taxes withheld from their employees, when OMB determines that such a withholding is necessary to ensure compliance with these obligations by the agencies concerned. Any such amounts withheld by OMB shall solely be reprogrammed to pay the corresponding outstanding obligations related to PayGo contributions, unemployment insurance, or taxes withheld from employees.

**Section 13.-** OMB and the Department of the Treasury are authorized to establish the necessary mechanisms to ensure that when implementing the concept of mobility, pursuant to the provisions of Law 8-2017, as amended, known as the “Puerto Rico Human Resources Management and Transformation in the Government Act,” the corresponding transfer of funds allocated to payroll and related costs of said employee are to be carried out simultaneously.

**Section 14.-** The Secretary of Treasury, the Director of the OMB, and the Treasurer and Executive Director of each agency or public corporation covered by the 2019 Fiscal Plan shall be responsible for not spending or encumbering during FY2020 any amount that exceeds the appropriations authorized for FY2020. This prohibition applies to every appropriation set forth in a budget certified by the Oversight Board, including appropriations for payroll and related costs. The Executive Director of AAFAF and the Director of the OMB shall also certify to the Oversight Board by September 30, 2019 that no amount was spent or encumbered that exceeded the appropriations in the certified budget for fiscal year 2019.

**Section 15.-** For the avoidance of doubt, any reference within the budget to AAFAF, the Department of Treasury, or OMB, or any of their respective officers, shall apply to any successor thereof.

**Section 16.-** On or before July 31, 2019, the Governor shall provide to the Oversight Board budget projections of revenues and expenditures for each quarter of FY2020, which must be consistent with the corresponding budget certified by the Oversight Board (the “Quarterly Budget”). The Quarterly Budget shall be provided to the Oversight Board in Excel format and include detailed allocations by agency, public corporation, fund type and concept of spend. Together with the report that the Governor must provide under Section 203 of PROMESA not later than 15 days after the last day of each quarter, the Governor shall provide a quarterly variance analysis that is consistent with modified accrual accounting.

**Section 17.-** The public agencies and instrumentalities, public corporations, and municipalities, with the approval of the OMB, in accordance with current legislation, are authorized to formalize agreements with the Federal Government, other public agencies and instrumentalities, public corporations, or municipalities for the rendering of services based on contracts or the funds included in this Joint Resolution.

**Section 18.-** On or before July 31, 2019, the Director of OMB shall submit to the Oversight Board a copy of the budget certified by the Oversight Board in the budget format managed by

OMB known as the “Sábana file.” The Sábana file shall be in Excel and identify both the General Fund budget and non-General Fund budgets within the Government’s PRIFAS and other accounting systems, including detailed budget appropriations and allocations by agency, instrumentality, public corporation, fund type and concept of spend.

**Section 19.-** This Joint Resolution shall be adopted in English and Spanish. If in the interpretation or application of this Joint Resolution any conflict arises as between the English and Spanish texts, the English text shall govern.

**Section 20.-** If any clause, paragraph, subparagraph, sentence, word, letter, article, provision, section, subsection, title, chapter, subchapter, heading, or part of this Joint Resolution is annulled or declared unconstitutional, the resolution, decision, or judgment entered to that effect will not affect, harm, or invalidate the remainder of this Joint Resolution. The effect of such judgment will be limited to the clause, paragraph, subparagraph, sentence, word, letter, article, provision, section, subsection, title, chapter, subchapter, heading, or part thereof that has been annulled or declared unconstitutional. If the application to a person or circumstance of any clause, paragraph, subparagraph, sentence, word, article, provision, section, subsection, title, chapter, subchapter, heading, or part of this Joint Resolution is invalidated or declared unconstitutional, the decision, opinion, or judgment entered to that effect will not affect or invalidate the application of the remainder of this Joint Resolution to those persons or circumstances in which it can validly apply. It is the express and unequivocal will of this Legislature that the courts enforce the provisions and the application of this Joint Resolution to the greatest extent possible, even if any of its parts is set aside, annulled, invalidated, prejudiced, or declared unconstitutional, or even if its application to any person or circumstance is annulled, invalidated, or declared unconstitutional. This Legislature would have approved this Joint Resolution regardless of the finding of severability that the Court may make.

**Section 21.-** This Joint Resolution will be known as “Joint Resolution of the General Fund Budget for FY2020.”

**Section 22.-** This Joint Resolution shall take effect on July 1, 2019.

**Section 2.-** Any expenditure funded through SRFs cannot exceed the lower of: (1) the amount authorized in this budget for the corresponding government entity and concept of expenditure or (2) the corresponding special revenue amount collected in FY2020 and available in the SRF.

**Section 3.-** No later than 45 days after the closing of each quarter of FY2020, the Secretary of Treasury shall revise the projected net revenues of all SRFs for FY2020 (the “Quarterly Revision”) including all entities with funds outside of the Treasury Single Account (“TSA”) and notify any revisions to the Director of the OMB, the Governor and the Oversight Board. The Quarterly Revision shall project future revenues based on actual revenues, and include revisions to the assumptions used to generate the SRF’s net revenue projections.

**Section 4.-** All authorized SRF budget amounts for government entities, including those with funds outside of the TSA, for any prior fiscal year, are eliminated and no carry over of such funds may be used, except: (1) expenditures authorized in the fiscal year 2019 certified budget to carry out permanent improvements that have been accounted for and kept on the books; (2) expenditures in this certified budget for equipment with procurement cycles that extend beyond the end of the fiscal year, which are encumbered on or before June 30, 2020; (3) the portion of expenditures authorized for fiscal year 2019 that have been encumbered on or before June 30 of such fiscal year, which shall be kept in the books for 60 days after the termination of that fiscal year and after those 60 days no amount shall be drawn against such portion for any reason; and (4) the Federal unemployment funds collected and managed by the Commonwealth included in the fiscal year 2020 certified budget, which are held under the custody of the Department of Labor and Human Resources. In addition, this restriction on the use of unused authorized prior fiscal year amounts shall not apply to: (i) programs financed in whole or in part with federal funds; or (ii) orders by the United States district court with jurisdiction over all matters under Title III of PROMESA.

**Section 5.-** On or before July 31, 2019, the Treasury Secretary, Executive Director of the Fiscal Agency and Financial Advisory Authority (“AAFAF”, by its Spanish acronym) and the Director of the OMB will provide to the Oversight Board a certification indicating the amounts of unused fiscal year 2019 authorized SRF budget amounts for items (1), (2), and (3) of Section 4.

**Section 6.-** Any power of OMB, AAFAF, or the Department of the Treasury, including the authorities granted under Act 230-1974, as amended, known as the "Puerto Rico Government Accounting Act" (“Act 230”), to authorize the reprogramming or extension of authorized SRF budget amounts of prior fiscal years is hereby suspended. Authorized SRF amounts in this FY2020 budget may only be reprogrammed with the approval of the Oversight Board. For the avoidance of doubt, this prohibition includes any reprogramming of any amount, line item or expenditure provided in this budget, regardless of whether it is an intra-agency reprogramming.

**Section 7.-** The Governor shall submit to the Oversight Board all reporting requirements set forth on Exhibit 76 of the 2019 Fiscal Plan according to the reporting cadence described therein. In addition, if the Oversight Board approves a reprogramming pursuant to Section 6, the immediately subsequent report by the Governor must illustrate the specific implementation of such reprogramming, including the amount, the source of the reprogrammed amount identified by

government entity and expenditure concept, the government entity that received such amount, and the expenditure concept to which it was applied.

The reports required pursuant to this Section are in addition to the reports that the Governor must submit to the Oversight Board in accordance with Section 203 of PROMESA.

**Section 8.-** In conjunction with the reports that the Governor must submit to the Oversight Board no later than 15 days after the last day of each quarter of FY2020 pursuant to Section 203 of PROMESA, the Treasury Secretary, Executive Director of AAFAF and the Director of the OMB will each certify to the Oversight Board that no authorized SRF budget amount of any previous fiscal year (except for those covered by the exceptions in Section 4 above) has been used to cover any expenditure unless authorized by the approval of the Oversight Board.

**Section 9.-** The Secretary of Treasury, the Director of the OMB, and the Treasurer and Executive Director of each government entity covered by the 2019 Fiscal Plan shall be responsible for not spending or encumbering during FY2020 any amount that exceeds the authorized SRF budget amounts. This prohibition applies to every SRF budget amount authorized herein, including amounts for payroll and related costs. The Executive Director of AAFAF and the Director of the OMB shall also certify to the Oversight Board by September 30, 2019 that no amount was spent or encumbered that exceeded the authorized SRF amount in the certified budget for fiscal year 2019.

**Section 10.-** For the avoidance of doubt, any reference within the budget to AAFAF, the Department of Treasury, or OMB, or any of their respective officers, shall apply to any successor thereof.

**Section 11.-** On or before July 31, 2019, the Director of OMB shall submit to the Oversight Board a copy of the budget certified by the Oversight Board in the budget format managed by OMB known as the “Sábana file.” The Sábana file shall be in Excel and identify both the General Fund budget and non-General Fund budgets, including SRF budgets, within the government’s PRIFAS and other accounting systems, including detailed budget appropriations and allocations by agency, instrumentality, public corporation, fund type and concept of spend that are consistent with all budgets certified by the Oversight Board for FY2020.

### Instructions for UCC Financing Statement (Form UCC1)

Please type or laser-print this form. Be sure it is completely legible. Read and follow all Instructions, especially Instruction 1. Use the correct name for the Debtor is crucial.

Fill in form very carefully; mistakes may have important legal consequences. If you have questions, consult your attorney. The filing office cannot give legal advice.

Send completed form and any attachments to the filing office, with the required fee.

#### ITEM INSTRUCTIONS

A and B. To assist filing offices that might wish to communicate with filer, filer may provide information in item A and item B. These items are optional.  
C. Complete item C if filer desires an acknowledgment sent to them. If filing in a filing office that returns an acknowledgment copy furnished by filer, present simultaneously with this form the Acknowledgment Copy or a carbon or other copy of this form for use as an acknowledgment copy.

1. **Debtor's name.** Carefully review applicable statutory guidance about providing the debtor's name. Enter only one Debtor name in item 1 -- either an organization's name (1a) or an individual's name (1b). If any part of the Individual Debtor's name will not fit in line 1b, check the box in item 1, leave all of item 1 blank, check the box in item 9 of the Financing Statement Addendum (Form UCC1Ad) and enter the Individual Debtor name in item 10 of the Financing Statement Addendum (Form UCC1Ad). Enter Debtor's correct name. Do not abbreviate words that are not already abbreviated in the Debtor's name. If a portion of the Debtor's name consists of only an initial or an abbreviation rather than a full word, enter only the abbreviation or the initial. If the collateral is held in a trust and the Debtor name is the name of the trust, enter trust name in the Organization's Name box in item 1a.

1a. **Organization Debtor Name.** "Organization Name" means the name of an entity that is not a natural person. A sole proprietorship is **not** an organization, even if the individual proprietor does business under a trade name. If Debtor is a registered organization (e.g., corporation, limited partnership, limited liability company), it is advisable to examine Debtor's current filed public organic records to determine Debtor's correct name. Trade name is insufficient. If a corporate ending (e.g., corporation, limited partnership, limited liability company) is part of the Debtor's name, it must be included. Do not use words that are not part of the Debtor's name.

1b. **Individual Debtor Name.** "Individual Name" means the name of a natural person; this includes the name of an individual doing business as a sole proprietorship, whether or not operating under a trade name. The term includes the name of a decedent where collateral is being administered by a personal representative of the decedent. The term does not include the name of an entity, even if it contains, as part of the entity's name, the name of an individual. Prefixes (e.g., Mr., Mrs., Ms.) and titles (e.g., M.D.) are generally not part of an individual name. Indications of lineage (e.g., Jr., Sr., III) generally are not part of the individual's name, but may be entered in the Suffix box. Enter individual Debtor's surname (family name) in Individual's Surname box, first personal name in First Personal Name box, and all additional names in Additional Name(s)/Initial(s) box.

If a Debtor's name consists of only a single word, enter that word in Individual's Surname box and leave other boxes blank.

For both organization and individual Debtors. Do not use Debtor's trade name, DBA, AKA, FKA, division name, etc. in place of or combined with Debtor's correct name; filer may add such other names as additional Debtors if desired (but this is neither required nor recommended).

1c. Enter a mailing address for the Debtor named in item 1a or 1b.

2. **Additional Debtor's name.** If an additional Debtor is included, complete item 2, determined and formatted per Instruction 1. For additional Debtors, attach either Addendum (Form UCC1Ad) or Additional Party (Form UCC1AP) and follow Instruction 1 for determining and formatting additional names.

3. **Secured Party's name.** Enter name and mailing address for Secured Party or Assignee who will be the Secured Party of record. For additional Secured Parties, attach either Addendum (Form UCC1Ad) or Additional Party (Form UCC1AP). If there has been a full assignment of the initial Secured Party's right to be Secured Party of record before filing this form, either (1) enter Assignor Secured Party's name and mailing address in item 3 of this form and file an Amendment (Form UCC3) [see item 5 of that form]; or (2) enter Assignee's name and mailing address in item 3 of this form and, if desired, also attach Addendum (Form UCC1Ad) giving Assignor Secured Party's name and mailing address in item 11.

4. **Collateral.** Use item 4 to indicate the collateral covered by this financing statement. If space in item 4 is insufficient, continue the collateral description in item 12 of the Addendum (Form UCC1Ad) or attach additional page(s) and incorporate by reference in item 12 (e.g., See Exhibit A). Do not include social security numbers or other personally identifiable information.

**Note:** If this financing statement covers timber to be cut, covers as-extracted collateral, and/or is filed as a fixture filing, attach Addendum (Form UCC1Ad) and complete the required information in items 13, 14, 15, and 16.

5. If collateral is held in a trust or being administered by a decedent's personal representative, check the appropriate box in item 5. If more than one Debtor has an interest in the described collateral and the check box does not apply to the interest of all Debtors, the filer should consider filing a separate Financing Statement (Form UCC1) for each Debtor.

6a. If this financing statement relates to a Public-Finance Transaction, Manufactured-Home Transaction, or a Debtor is a Transmitting Utility, check the appropriate box in item 6a. If a Debtor is a Transmitting Utility and the initial financing statement is filed in connection with a Public-Finance Transaction or Manufactured-Home Transaction, check only that a Debtor is a Transmitting Utility.

6b. If this is an Agricultural Lien (as defined in applicable state's enactment of the Uniform Commercial Code) or if this is not a UCC security interest filing (e.g., a tax lien, judgment lien, etc.), check the appropriate box in item 6b and attach any other items required under other law.

7. **Alternative Designation.** If filer desires (at filer's option) to use the designations lessee and lessor, consignee and consignor, seller and buyer (such as in the case of the sale of a payment intangible, promissory note, account or chattel paper), bailee and bailor, or licensee and licensor instead of Debtor and Secured Party, check the appropriate box in item 7.

8. **Optional Filer Reference Data.** This item is optional and is for filer's use only. For filer's convenience of reference, filer may enter in item 8 any identifying information that filer may find useful. Do not include social security numbers or other personally identifiable information.
